

Save The Kimberley

Your interest in our campaign to save the Kimberley is very much appreciated. All of us at Save The Kimberley are volunteers and spend our own and so far very limited donated funds on awareness campaigning, utilising radio and TV ads and forum nights in major population areas. We research the issues, discuss them with Kimberley interest groups, attend and organise forums/protests, make TV advertisements and liaise extensively with the press.

The campaign is now rapidly building and we clearly need additional resources, both financial and professional. It is nearly impossible to keep up with everything that needs to be done and hold down jobs or run businesses as well! That's why we're asking for your help. To save this last great wilderness for all Australians we can assure you every dollar of all monies raised is spent wisely. If you and your family would like to donate, that would be greatly appreciated.

I want the Kimberley protected from industrialisation: I understand that my donation will be used to support the campaign to protect the Kimberley.
